Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.

Hey Emma!

Do you have any other districts policies relating to SB 150 that you'd mind sharing? I'd be interested to see how other districts are addressing this with dual credit. We did not get any guidance from the KSBA policy update, so I was curious how others are approaching this.

Hey Emma!

Do you have any other districts policies relating to SB 150 that you'd mind sharing? I'd be interested to see how other districts are addressing this with dual credit. We did not get any guidance from the KSBA policy update, so I was curious how others are approaching this.

Just a quick follow-up to BCTC's request for the district's policy regarding SB 150. The college will need the district's policy as soon as possible. Without the district's SB 150 policy, there may be a delay in the enrollment of dual credit students this fall.

Please, let me know if you have any questions or concerns.

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Thanks,

Superintendent Wade,

Good afternoon and thank you for sending your policy regarding SB 150. Based on what we received from you, Boyle County Schools have elected to implement the parental permission required for courses containing content regarding human sexuality/sexually transmitted diseases. If this is incorrect, please let us know before classes start on August 14, 2023.

As of today, Bluegrass Community & Technical College (BCTC) in conjunction with the Kentucky Community & Technical College System (KCTCS) has identified courses that may contain such content. The following courses have been identified as having potential content that may include human sexuality and/or sexually transmitted diseases, and therefore would require parental permission for your students to be enrolled. If you have students that will enroll or have already enrolled in these courses, the high school has the responsibility to provide parents/guardians an opportunity to review the curriculum/syllabus and other course materials/activities three weeks prior to the inception of the class. The regular sixteen-week BCTC semester classes begin on Monday, August 14, 2023, so we will be providing access to those high schools who have provided us with their SB 150 policies by Monday, July 24, 2023.

The courses BCTC can offer for dual credit that require parental permission are: ANT 220; ANT 231; ART 109; ART 210; BAS 274; BIO 118; BIO 120; BIO 130; BIO 135; BIO 137; BIO 139; CRJ 201; CRJ 202; CRJ 204; CRJ 208; CRJ 235; CRJ 278; EMS 202; ENG 135; ENG 233; ENG 281; EQS 240; EST 150; FAM 253; FIR 230; GEO 172; HIS 267; KMA 100; NAA 100; PSY 110; SOC 230; and WGS 200.

I am communicating with you today regarding this and Dr. Emma Gibbs, Director of Dual Credit at BCTC, will be sending communication to your high school staff who coordinate your dual credit efforts regarding the following:

- How to access syllabus for a class that is offered by BCTC for dual credit on the list identified above. Please note we are providing the most recent syllabus we have for the class in question which is from the Spring 2023 or Fall 2022 semester.
- Process for ensuring we have received communication from the high school that your school is in possession of the written parental permission slip your school has developed for each student enrolling in a course requiring permission.
- Contact information for our point person at BCTC to address questions about the syllabus and/or any questions about the enrollment process for dual credit.
- Since some students have already been enrolled in classes that require parental permission, Dr. Gibbs will also provide a deadline whereby we must receive confirmation from the high school partner for the student to remain in the course in question. After this date, we will drop the student if we do not have confirmation of parental permission.

We realize that this is a new process and look forward to working together to ensure we are

Good Afternoon, Emma!

Here is our board-approved policy relating to SB 150. Our Boyle County Team will meet on Monday to make plans for permission forms, parental consent, and any other issues related to dual credit. We will be sure to follow up with you on our plans. Thank you for helping us navigate this, Emma!

Best,  
Stephanie

Hi Emma,

The policy is going to our board for approval tonight and will be ready tomorrow. I wanted to have board approval before submitting to you. So that you know, our draft policy is the same as the KSBA policy you sent me from another district as a sample last Thursday. I will send the policy once the board approves it tonight. I hope this update helps!

Just a quick follow-up to BCTC's request for the district's policy regarding SB 150. The college will need the district's policy as soon as possible. Without the district's SB 150 policy, there may be a delay in the enrollment of dual credit students this fall.

Please, let me know if you have any questions or concerns.

Superintendent Wade,

The Dual Credit Office at BCTC is requesting notification of your district's SB 150 policy in regard to dual credit courses. As SB 150 sets parameters on courses taken by public high school students, there is a direct impact on dual credit course offerings for current and future dual credit students in your district.

Please, see the attached letter from the dual credit office for further clarification of our request. We will need notification of your district's SB 150 policy as soon as possible. The sooner we receive your district's SB 150 policy, the sooner we can prepare for the fall enrollment of dual credit students in your district.

Please, reach out by email or phone (859-246-6912) with any questions or concerns.  
Thank you, Dr. Gibbs

Stephanie,

Good morning to you! I am reaching out to you as we have reviewed your policy again and it appears you have opted to enforce the prohibited list. I need to discuss with you as that will impact some courses such as PSY 110. Do you have a number where I can reach you?

Thank you so much!

Wendy
